Practice News from Non-Surgical Orthopaedics, P.C.

Non-Surgical Orthopaedics, P.C. is one of Atlanta's premier non-surgical orthopaedic practices and an industry leader for the non-invasive treatment of back pain, neck pain and other orthopaedic injuries.

HOW DO I KNOW IF I'M ADDICTED?

Millions of Americans rely on prescription drugs for pain relief, and while they serve a purpose when used correctly, it is easy to develop a tolerance to them, and they can be highly addictive.

It goes without saying that addiction is difficult to cope with, but it can also be confusing to assess. Some guidelines for deciding if you may be addicted:
